

Q: Should convicted **pimps/traffickers be permitted to retain the proceeds from their crimes?**

NO!

- **Asset forfeiture** will serve as a deterrent to this horrible crime.
- Maryland needs a source of funds to provide services to victims of human trafficking.
- MD has asset forfeitures for convicted drug traffickers... why not for convicted sellers of human beings?

Please ask Chairman Vallario to bring **HB 713 to a vote in Judiciary Committee!**
