

TAKE ACTION!

If you or your friend is involved in a threatening relationship or situation, or if you believe you may be the target of recruitment by a pimp or predator, tell a trusted adult immediately. If you have been approached online or in person, or have seen something that may be sex trafficking, call the **National Center for Missing and Exploited Children: 1-800-THE-LOST**, or online www.cybertipline.com.

They'll look into it. You can even report it anonymously.

Remember: If you see something, say something.
