

ABOUT

The Terry's House Program is the result of a partnership between The Coffee Oasis and Shared Hope International.

The Coffee Oasis is a non-profit organization based out of Kitsap, WA. For 20 years The Coffee Oasis has provided opportunities for homeless youth, age 13-25, to find hope and change. Coffee Oasis coffee businesses provide coffee for the community and financially support Oasis youth programs. The Terry's House Program is operated and supported by experienced youth program staff and the Oasis Youth Programs.

Shared Hope International is a non-profit organization that works to prevent sex trafficking, bring justice to its victims and help restore and empower survivors. For 20 years they have offered safe homes, therapy, vocational training, education, and more so that individuals can heal and live full lives. Shared Hope renovated Terry's House to be a safe house for young women.

- Program duration is 1.5 - 2 years
- Residents do not pay rent or utilities

PROVIDED RESOURCES

- Fully furnished bedrooms, including linens and towels
- Fully equipped and stocked kitchen (residents prepare their own meals)
- On-site security system
- Cleaning supplies, hygiene items
- Transportation

PROGRAM OVERVIEW

Terry's House Program is led by experienced, trained, and compassionate staff. The program is divided into three stages for the residents to progress through, moving from recovery to independence.

1. MOVING OUT OF CRISIS

Live in safety and stability, with time and space to begin the healing process

2. PROCESSING

Begin to utilize and internalize provided skills and education

3. PREPARING FOR THE FUTURE

Fully transition to independence and full healing

A variety of resources, classes, and activities are part of each step of the program. These include:

- Individualized treatment plans
- Professional counseling
- Trauma support group
- Life skills classes
- Job internship opportunities
- Equine therapy
- Art expression & yoga
- Community dinners
- Case management
