

# A Declaration of Prayer for Our Nation

---

*“This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us.”*

—1 John 5:14

I am joining with Shared Hope International to commit to praying for our nation ...

- 1** That our elected officials, Congress, and the White House will stand against sex trafficking, putting the appropriate laws in place for justice and prevention.
- 2** For the restoration of victims of sex trafficking — that the many women and children who were once tricked, abused, and enslaved will find healing, love, and grace.
- 3** For the protection of our children from perpetrators. That the Shared Hope team, working hard to prevent, restore, and bring justice, will be protected to continue the work God has called us to do.
- 4** And, finally ... that people across America will come together and put an end to sex trafficking once and for all.
