

Report Cards on Child & Youth Sex Trafficking

State Action. National Change.

SOUTH CAROLINA

The Report Cards on Child & Youth Sex Trafficking Advanced Legislative Framework builds on the original Protected Innocence Challenge Framework, preserving the most fundamental components while including new policy priorities that reflect feedback and research from the field—particularly in the area of victim protections. The advanced framework will be used to grade the states next fall when we release the inaugural Report Cards on Child & Youth Sex Trafficking. As such, the 2021 legislative session is a critical time for your state to strengthen its laws before report cards and corresponding grades are issued.

So what is **SOUTH CAROLINA**'s current score and what changes are needed? As of August 1, 2019, **SOUTH CAROLINA HAD RAISED ITS GRADE FROM F TO B:**

SOUTH CAROLINA

2019	SCORE	GRADE	10	23.5	13.5	6	23	12
	88	B	10/10	23.5/25	13.5/15	6/10	23/27.5	12/15
								
2011	SCORE	GRADE	2.5	13.5	10	2.5	12.5	7.5
	48.5	F	2.5/10	13.5/25	10/15	2.5/10	12.5/27.5	7.5/15

South Carolina's child sex trafficking statute does not require use of force, fraud, or coercion. Additionally, child victims are not subject to prosecution for prostitution

and trafficking offenses committed pursuant to their victimization; instead, survivors may access specialized services through "certified specialized service providers" and Human Trafficking Acute Crisis Care and Resource Centers.

To support implementation of the Report Cards on Child & Youth Sex Trafficking Advanced Legislative Framework, our Policy Team will remain available to provide rapid, technical assistance to support legislators, advocates, and state agencies; technical assistance requests can be submitted [here](#).
