Dearest Shared Hope Family Member...

**TWENTY. FIVE. YEARS.**

Can you imagine? It's now been a **quarter of a century** since Former Congresswoman Linda Smith and her husband Vern hosted a small, intimate gathering that would lay the foundation for something incredible:

***a community of passionate, loving changemakers who would create a freer and more humane world...***

In the warmth of that Christmas season, sharing promising updates about work in India by the newly formed **Shared Hope International**, no one could have known all the victories their efforts would lead to...the lives transformed by restorative services to sex trafficking survivors...the safety and security created for children and families through prevention efforts...the justice obtained through reimagining laws and revolutionizing culture.

Twenty-five years later we stand together as an extended family, more united than ever in our commitment to restore survivors of trafficking to lives of purpose, value and choice—one life at a time.

In celebration of this milestone—that we never could have reached without you—we are inviting you to join us for a very special edition of our annual events:

**The 25th Anniversary Shared Hope Legacy Events**

•**Christmas Breakfast, 2023**

•**Founder's Dinner, 2024**

Please join us in celebrating this stunning landmark of our shared organizational history. We can't wait to see you there!
